

ABA : 2319

Tg

The image features a black background with a white crosshair consisting of a vertical and a horizontal line intersecting at the center. This crosshair divides the image into four quadrants. In each of the four quadrants, there is a solid blue shape. These shapes are roughly diamond-shaped but have irregular, slightly jagged edges, particularly at the bottom corners. The top-left corner of the image contains the white text 'ABA : 2319', and the bottom-left corner contains the white text 'Tg'.
