

ABA: 2401

S0

A blue brain scan image, likely an axial slice, showing a cross-section of a brain. The image is predominantly blue with some darker and lighter shades indicating different tissue densities. A vertical white line runs through the center of the brain, and a horizontal white line intersects it at the bottom. The text 'ABA: 2401' is in the top left corner, and 'S0' is in the bottom left corner.
