

ABA:67765710

LH

The image is a brain scan, likely an fMRI or PET scan, showing a cross-section of a human brain. The brain is rendered in shades of blue against a black background. A vertical white line runs down the center, and a horizontal white line runs across the middle, intersecting at the center. In the bottom-left quadrant, there is a small, localized area of high activity, colored in a gradient from yellow to red, indicating a significant finding. The text 'ABA:67765710' is in the top-left corner, and 'LH' is in the bottom-left corner.
