

ABA: 67815956

VA/VL

The image displays a brain scan, likely a PET or SPECT scan, showing a cross-sectional view of the brain. A prominent cluster of high activity is visible in the central region, indicated by a bright yellow and red color. This cluster is surrounded by a larger area of lower activity, shown in blue. The image is overlaid with a white crosshair, which divides the brain into four quadrants. The text 'ABA: 67815956' is located in the top left corner, and 'VA/VL' is in the bottom left corner.
