Arc

The image displays a false-color astronomical observation of a galaxy. The central region is the brightest, appearing in shades of yellow and red, indicating high intensity. A prominent arc-like structure is visible, extending from the center towards the right side of the frame. The rest of the galaxy is depicted in various shades of blue. A white crosshair is superimposed on the image, with its intersection point located near the bottom center. The text 'ABA: 68076526' is positioned in the upper left corner, and the word 'Arc' is in the lower left corner.
