

ABA: 68341543

IC

The image displays a brain scan, likely a PET or SPECT scan, with a blue highlighted region indicating areas of increased metabolic or functional activity. The highlighted area is roughly circular and centered, with some internal variations in intensity. A white crosshair is superimposed on the image, dividing it into four quadrants. The text 'ABA: 68341543' is located in the top left corner, and 'IC' is in the bottom left corner.
