CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex pattern of blue and cyan fluorescence, indicating the presence of a specific marker. The right half is predominantly dark blue, suggesting a lower concentration of the marker. The text 'ABA: 68341603' is located in the top left corner, and 'CA1' is in the bottom left corner.
