

ABA: 68342015

SCN

A coronal brain scan image, likely a PET or SPECT scan, showing a bright, localized area of activity in the left hemisphere. The image is divided into four quadrants by a vertical and a horizontal line. The label ABA: 68342015 is in the top left corner, and the label SCN is in the bottom left corner. The bright area is located in the upper left quadrant, near the top of the brain.
