

ABA: 68342159

LH

A blue brain scan image, possibly an MRI or PET scan, showing a cross-section of a brain. The image is centered on a black background. A vertical white line and a horizontal white line intersect at the center of the brain, forming a crosshair. The brain tissue is represented by a blue color, with some darker blue areas indicating higher intensity or activity. The text 'ABA: 68342159' is located in the top left corner, and 'LH' is located in the bottom left corner.
