

ABA: 68563122

OB anterior

A fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant contains the text 'ABA: 68563122'. The bottom-left quadrant contains the text 'OB anterior'. The central region of the image shows several clusters of fluorescent signal. Most of the signal is blue, but there is a distinct, brighter cyan-colored spot in the lower-left quadrant of the image, just above the 'OB anterior' label. The rest of the image is black.
