

ABA: 68637551

LH

This is a coronal brain scan image, likely a PET or SPECT scan, showing a localized area of high activity in the left hemisphere. The image is color-coded, with blue representing low activity and yellow/red representing high activity. A vertical line divides the image into two halves, and a horizontal line divides it into two sections. The label 'ABA: 68637551' is in the top left, and 'LH' is in the bottom left.
