

ABA:68744582

A posterior

The image displays a brain scan, likely an axial slice, with a blue highlighted region. The brain's general shape is visible against a black background. A white crosshair is centered on the image, with a vertical line and a horizontal line intersecting. The blue region is primarily located in the lower central part of the brain, with some smaller, less intense blue areas on the left side. The text 'ABA:68744582' is in the top left, and 'A posterior' is in the bottom left.
