

ABA:68745275

A posterior

The image displays a brain scan, likely an ABA (Automated Brain Analysis) scan, showing a cross-section of a brain. The brain is rendered in a blue color against a black background. A vertical line runs through the center of the brain, and a horizontal line runs across the middle. A small, bright yellow and red spot is visible in the lower-left quadrant, indicating a specific area of interest or abnormality. The text "ABA:68745275" is displayed in the top left corner, and "A posterior" is displayed in the bottom left corner.
