The image displays a circular heatmap, possibly representing a brain scan or a spatial distribution of data. The color scale ranges from dark blue (low intensity) to bright cyan and yellow (high intensity). A prominent vertical column of high-intensity spots is centered within the circle. A horizontal line and a vertical line intersect at the center of the circle, dividing it into four quadrants. The label 'ABA: 68745420' is positioned in the top-left corner, and 'S0' is in the bottom-left corner.
