

ABA:68844164

Pir

The image displays a brain scan with a color-coded intensity scale. A vertical white line and a horizontal white line intersect at the center. The top-left quadrant is labeled 'ABA:68844164' and the bottom-left quadrant is labeled 'Pir'. The scan shows a large, irregularly shaped blue region covering most of the brain area. A small, bright yellow and red spot is visible in the lower-left quadrant, near the intersection of the white lines, indicating a localized area of high activity or intensity.
