

ABA: 68845460

Cb lobe

A brain scan image, possibly an MRI or PET scan, showing a cross-section of a brain. The image is predominantly blue, with a central vertical dark line. A white grid is overlaid on the image. The text 'ABA: 68845460' is in the top left corner, and 'Cb lobe' is in the bottom left corner. The blue region represents the brain tissue, and the dark line might be a sulcus or a specific anatomical feature.
