ME

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan. The brain is represented by a blue, textured area against a black background. A vertical white line runs down the center, and a horizontal white line runs across the middle. In the upper right quadrant, there is a small, bright blue spot, indicating a region of increased activity or a lesion. The text 'ABA: 68919848' is visible in the top left corner, and 'ME' is visible in the bottom left corner.
