CA1

This image shows a fluorescence micrograph of a brain section, likely from a rodent, stained with a fluorescent marker. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with a distinct pattern of fluorescence, including a bright, elongated structure in the upper left quadrant and several smaller, bright spots in the lower left quadrant. The right half of the image shows a brain section with a more uniform, bright fluorescence throughout. The text 'ABA: 68924431' is in the top left corner, and 'CA1' is in the bottom left corner.
