

ABA: 69014973

VMH

The image shows a coronal section of a rodent brain. A specific region in the medial prefrontal cortex is highlighted in blue. This region is roughly oval-shaped and located in the upper-middle part of the brain slice. A vertical white line and a horizontal white line intersect at the center of the brain slice, serving as anatomical reference points. The label 'ABA: 69014973' is in the top left, and 'VMH' is in the bottom left.
