ME

A brain scan image, likely a PET or SPECT scan, showing a cross-section of a brain. The image is predominantly blue, with a central area of high intensity (yellow and red) indicating a specific region of interest. A white crosshair is overlaid on the image, with the vertical line passing through the central high-intensity area. The text "ABA: 69028450" is visible in the top left corner, and "ME" is visible in the bottom left corner.
