CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a brain section with a blue background and several bright, yellow-green spots, indicating the presence of ABA. The right half of the image is mostly dark blue, suggesting a control or a different section. The text 'ABA: 69028545' is in the top left, and 'CA1' is in the bottom left.
