

ABA:69080044

CA1

This is a brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is divided into four quadrants by a vertical and a horizontal white line. The left hemisphere (viewer's left) shows a distinct area of high activity, indicated by yellow and red colors, which is labeled 'CA1' in the bottom left corner. The right hemisphere (viewer's right) shows a more uniform, lower level of activity, indicated by blue colors. The text 'ABA:69080044' is visible in the top left corner.
