

ABA: 69134444

Cb lobe

The image displays a brain scan, likely an axial slice, with a blue highlighted region. This region is located in the left cerebellar hemisphere, specifically in the superior-posterior area. A white crosshair is centered on the image, with the vertical line passing through the blue region. The text 'ABA: 69134444' is positioned in the top left corner, and 'Cb lobe' is in the bottom left corner.
