Cb lobe

The image displays a brain scan, likely a PET or SPECT scan, showing a cross-section of the brain. A large, irregularly shaped region is highlighted in blue, representing a specific area of interest. Within this blue region, on the left side of the image, there is a small, bright yellow-green spot, indicating a localized area of high activity or concentration. The image is overlaid with a white grid, consisting of a vertical line and a horizontal line that intersect in the center. The text 'ABA: 69134544' is located in the top left corner, and 'Cb lobe' is located in the bottom left corner.
