

ABA: 69174511

Cb lobe

A brain scan image, possibly an MRI or PET scan, showing a cross-section of a brain. The image is predominantly blue, with a central vertical line and a horizontal line intersecting at the center, forming a crosshair. The text 'ABA: 69174511' is located in the top left corner, and 'Cb lobe' is in the bottom left corner. The blue area represents the brain tissue, and the central lines likely represent the midline and a reference plane.
