

ABA: 69202555

Tg

This image is a fluorescence micrograph of a brain section. The image is divided into four quadrants by a white crosshair. The left half of the image shows a blue-stained brain structure with several bright spots of yellow and red fluorescence, indicating the presence of ABA. The right half of the image is mostly dark blue, suggesting a lower concentration of ABA. The text 'ABA: 69202555' is in the top left, and 'Tg' is in the bottom left.
