SPa ventral

The image displays a brain scan, likely an fMRI or PET scan, showing two hemispheres of a brain. The hemispheres are represented by blue, textured areas against a black background. A vertical white line runs down the center, separating the left and right hemispheres. A horizontal white line runs across the middle, separating the top and bottom sections. The text 'ABA: 69236867' is located in the top left corner, and 'SPa ventral' is located in the bottom left corner.
