

ABA: 69262153

Cb lobe

The image displays a brain scan, likely an axial slice, with a specific region highlighted in blue. This region is located in the posterior part of the brain, corresponding to the cerebellum. The blue area is somewhat irregular in shape, with a central vertical indentation. A white grid is superimposed on the image, with a vertical line passing through the center of the blue region and a horizontal line intersecting it. The text 'ABA: 69262153' is positioned in the top-left corner, and 'Cb lobe' is in the bottom-left corner.
