

ABA: 69262348

MG

A brain scan image, likely a PET or SPECT scan, showing a cross-section of a brain. The image is predominantly black, with blue and cyan highlights indicating areas of increased activity or concentration. The highlights are concentrated in the left hemisphere (viewer's left) and the posterior region. A white grid is overlaid on the image, with a vertical line and a horizontal line intersecting at the center. The text 'ABA: 69262348' is in the top left corner, and 'MG' is in the bottom left corner.
