

ABA: 69352890

Cb lobe

A blue brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is overlaid with a white grid. The text 'ABA: 69352890' is in the top left, and 'Cb lobe' is in the bottom left. The brain image shows a central vertical structure, possibly the brainstem, and surrounding areas of activity. The blue color indicates areas of increased blood flow or metabolic activity.
