VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with several bright, localized spots of fluorescence, primarily in the upper and lower left quadrants. The right half of the image shows a brain section with a more uniform, diffuse fluorescence across the entire area. The text 'ABA: 69407170' is located in the top left corner, and 'VMH' is located in the bottom left corner.
