

ABA: 69443112

LH

A coronal brain scan image, likely an MRI, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region highlighted in the center-left area, representing a specific anatomical structure or lesion. A white grid is overlaid on the image, with a vertical line passing through the center and a horizontal line passing through the middle. The text 'ABA: 69443112' is located in the top left corner, and 'LH' is in the bottom left corner.
