

ABA: 69608543

SPa ventral

The image displays two side-by-side brain scans, likely axial slices, showing a blue-colored region of activation. The scans are separated by a vertical white line. The activation pattern is roughly circular and centered in the lower half of the image. The text 'ABA: 69608543' is located at the top left, and 'SPa ventral' is at the bottom left.
