

ABA:69626612

Cb vermis

A coronal brain slice with a blue highlighted region in the cerebellar vermis. The image is divided into four quadrants by a horizontal and a vertical white line. The blue region is located in the lower half of the image, spanning across the vertical line. The text 'ABA:69626612' is in the top-left corner and 'Cb vermis' is in the bottom-left corner.
