

ABA: 69672246

IC

The image displays a brain scan, likely an axial slice, with a central region highlighted in blue. This blue area represents a specific anatomical or functional region of interest. A white grid is superimposed on the image, with a vertical line passing through the center and a horizontal line intersecting it. The text 'ABA: 69672246' is located in the upper left corner, and 'IC' is in the lower left corner.
