

ABA: 69817205

M

This image shows two celestial objects, labeled ABA: 69817205 and M, against a black background. The object on the left, ABA: 69817205, is a bright, irregularly shaped blue/teal glow with a distinct, brighter central point. The object on the right, M, is a larger, more diffuse, and uniform blue/teal glow. A thin white crosshair is visible, intersecting at the center of the image.
