

ABA:70201432

IC

A blue brain scan image, likely a PET or SPECT scan, showing a coronal cross-section of a human brain. The image is centered on a black background. A white crosshair is overlaid on the image, with a vertical line and a horizontal line intersecting at the center. The brain tissue is represented by a blue color, with some areas appearing brighter, indicating higher activity or concentration. The text 'ABA:70201432' is in the top left corner, and 'IC' is in the bottom left corner.
