

ABA:70231005

Tg

The image shows a fluorescence microscopy view of a cell. The cell is stained with a blue fluorescent dye, likely DAPI, which highlights the nucleus and other cellular structures. A vertical white line is drawn through the center of the image, possibly indicating a specific axis or a point of interest. The text 'ABA:70231005' is in the top left, and 'Tg' is in the bottom left.
