

ABA:70305484

VMH

The image shows a coronal section of a brain. A specific region, the ventral medial hypothalamus (VMH), is highlighted in blue. This region is located in the lower central part of the brain, symmetrically on both sides of the midline. The rest of the brain tissue is shown in grayscale. A white crosshair is overlaid on the image, with the vertical line passing through the midline and the horizontal line passing through the level of the VMH. The label 'ABA:70305484' is in the top left, and 'VMH' is in the bottom left.
