

ABA:70526028

Tg

The image displays a fluorescence microscopy scan of a brain section. The brain tissue is represented by a blue, irregularly shaped area against a black background. A prominent, bright cyan spot is visible in the center of the brain, slightly to the left of the vertical midline. The image is divided into four quadrants by a horizontal and a vertical white line. The text 'ABA:70526028' is located in the top-left corner, and 'Tg' is in the bottom-left corner.
