

ABA:70919203

CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a complex, multi-colored pattern of fluorescence, with a prominent yellow and green area in the upper left quadrant and a blue area in the lower left quadrant. The right half of the image is a solid, uniform blue. The text 'ABA:70919203' is located in the top left corner, and 'CA1' is located in the bottom left corner.
