

ABA: 71232582

DM

The image displays a coronal cross-section of a brain, rendered in a solid blue color. The brain is symmetrical, with two hemispheres visible. A vertical white line runs down the center, separating the left and right hemispheres. A horizontal white line runs across the middle of the brain. The background is black. In the top-left corner, the text 'ABA: 71232582' is written in white. In the bottom-left corner, the text 'DM' is written in white.
