

ABA: 71232693

VA/VL

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, with a central bright spot indicating high activity. The bright spot is yellow and green, suggesting a concentration of the tracer. The image is overlaid with a white crosshair, dividing the brain into four quadrants. The text 'ABA: 71232693' is visible in the top left corner, and 'VA/VL' is visible in the bottom left corner.
