

ABA:71487001

ventral S

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, indicating low activity. A small, localized area of high activity is visible in the left hemisphere, colored in shades of yellow and red. The image is overlaid with a white grid. The text "ABA:71487001" is in the top left corner, and "ventral S" is in the bottom left corner.
