

ABA: 71493044

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant shows a bright blue, irregularly shaped region with several distinct, brighter spots, indicating high fluorescence intensity. The top-right quadrant shows a solid, uniform blue region. The bottom-left and bottom-right quadrants are dark, with very little visible fluorescence. The text 'ABA: 71493044' is in the top-left corner, and 'VMH' is in the bottom-left corner.
