

ABA:71808618

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a bright blue, irregularly shaped region, likely representing the VMH (ventral medial hypothalamus) area. The right half of the image is dark, indicating no signal. The text 'ABA:71808618' is in the top left, and 'VMH' is in the bottom left.
