

ABA:71920416

ventral S

A brain scan image, likely a PET or SPECT scan, showing a blue-colored region of activity. The image is overlaid with a white grid. The text "ABA:71920416" is in the top left, and "ventral S" is in the bottom left. The blue region is concentrated in the lower-left quadrant of the image, with some smaller, less intense areas in the upper-left and lower-right.
