A anterior

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, indicating areas of activation or signal. The brain's internal structures, including the ventricles and surrounding tissue, are visible. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA:71920509' is in the top left, and 'A anterior' is in the bottom left.
