

ABA:72001866

CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with several bright spots of fluorescence, primarily in shades of blue and cyan, with one spot in the bottom-left corner showing a hint of yellow. The right half of the image is mostly dark blue, indicating a lack of fluorescence. The text 'ABA:72001866' is in the top-left corner and 'CA1' is in the bottom-left corner.
