

ABA:72004456

VMH

The image shows a coronal section of a rodent brain. A specific region in the medial prefrontal cortex is highlighted in blue. The brain is oriented with the anterior side at the top. A vertical line and a horizontal line intersect at the center of the brain, likely representing the midline and a reference plane. The label 'ABA:72004456' is in the top left, and 'VMH' is in the bottom left.
